## Customer Reviews

When My son was younger these were among his most favorite books. He made sure we saved these so he could pass them on to his little brother to read to him once he is old enough. These are simple chapter books. They range in page count from about 68 to 96 pages I believe so they are relatively quick reads that can be read in a few nights depending upon your child's reading level. This set contains the first four books in the series: Book #1, DINOSAURS BEFORE DARK Book #2, THE KNIGHT AT DAWN Book #3, MUMMIES IN THE MORNING Book #4, PIRATES PAST NOON The First, Dinosaurs Before Dawn tells the story of how Jack and Annie (the series stars) first find the Magic Tree House and learn how the books can transport them to magical lands and

worlds. The first takes them to the Cretaceous period. Through clues and reading the book in hand they learn and discover things about dinosaurs. In the "Knight at Dawn", Jack and Annie are transported back to medieval times. They find a castle and go exploring and find themselves on the run from the castle guards and worry they will never get back to the magic tree house. "Mummies in the Morning" Jack has always been fascinated by and pick up a book that has them traveling back to ancient Egypt. Jack and Annie enter a pyramid and get lost inside. Inside they find the ghost of an Egyptian queen who has been trapped inside the pyramid for ages and Jack and Annie try to set her free. "Pirates Past Noon" Jack and Annie picture a wonderful beach and are transported to the times of Pirates where they are captured by Captain Bones who is seeking the treasure of Captain Kidd. These books are geared for kids from the 2nd to the 5th grade I would say.
