Customer Reviews

I absolutely love this planner. It is gorgeous and just a joy to look at each time I want to write down some appointments and plans. The spaces for each day are ample, I do wish that it would be layed out Sun-Sat instead of Mon-Sun but I do not think that this is something that I would downgrade to 4 stars for, just figured I would add that in if a Peter Pauper staff member happens to read this. Either way, I am a Peter Pauper purchaser for life, love their products.

I bought 2, this one & one with the teal blue background. I don't know which one I think is prettier. The price is fantastic as well. These are nice & sturdy, even sturdy enough to carry in your purse if

you want to. I just love seeing them sitting on my desk. So very lovely!

This was purchased as a gift for one of my girls for Christmas. She appeared pleased with it. Sturdy and I like the elastic that holds that holds the cover closed, thus insuring the integrity of the planner cover. Prompt arrival and sturdy shipping, as always, thanks !

I love these planners. The format is simple and visually pleasing. Love the elastic band for marking pages or keeping the book closed when needed. I used my 2013 planner every single week and had to get another one for 2014-- it helps me keep my life together! Perfect size: large enough to have space to write but small enough that I can slip it in my bag or purse without carrying around a ton of extra weight or bulk. And so pretty! Love them, will be back for another in 2015!

I love these planners and journals. I love the size. I love the paper. I love the look. I will always come back to this company for my journals, bookmarks and planners!

Very fragilely cute design and not over the top. The planner itself is the perfect size, just big enough to write in and read but not obnoxiously large. It's also nicely thin. Great font size, layout, etc. Highly recommend this planner, I buy it every year.

I have always bought these planners and I love them, I have not bought any of their journals yet, but I plan to. Great company for planners, please don't stop making excellent products!!
