# No Red Sweater For Daniel (Daniel Tiger's Neighborhood)

## Synopsis

Join Daniel Tiger for another adorable adventure in this 8x8 storybook based on a special episode of Daniel Tiger's Neighborhood! Daniel has been searching everywhere for his favorite red sweater, but Mom says it's being washed! Daniel has to wear a blue sweater today instead. At first Daniel is worried "he looks so different" is he still the same tiger on the inside? With a little help from the neighbors, Daniel learns that you can change your hair or what you wear, but no matter what you do, you're still you. © 2016 The Fred Rogers Company.

## Customer Reviews

It's a pretty standard DT book. A bit dense on the text per page but I just paraphrase. Also a little weird as far as message goes -- do kids really worry they'll be someone else if they change clothes? Why does Daniel wear the same sweater every. single. day. anyway? Is it like a jacket, where who cares? Or a shirt that presumably would have been washed many, many times over the course of Daniel's 4+ year life? My kid went through that 'favorite item of clothing' phase but we made him change clothes at least once a day anyway. And (spoiler alert) if Daniel loves that particular red sweater so much, why is Grandpere sending him a new red sweater in the mail? Was "in the wash" mommy euphemism for "while we were making breakfast your sister ate it"? Which would be why I'm ordering another copy the same day the last copy arrived, by the way. So, I guess "would buy

again" is pretty accurate.
