If you like looking at great looking men and like to laugh, buy this book. The guys are super cute and the captions are hilarious. A really creative team finds the men, imagines the fantasies and writes the captions. I read their posts every week on Instagram but this book has all new material. Love it.

I'm a huge fan of the instagram account and immediately ordered the book when I heard it was coming out. Just got it today and it's perfect! All new pictures, hilarious commentary and really really handsome guys. Its also thoughtfully layed out - almost like a tour of different neighborhoods of NYC. Its perfect for my coffee table and now that I see the finished product, I'm ordering more copies for a few friends that also love the account. And it looks like they have a calendar coming out soon too - Can't wait!

This book is HILARIOUS!! I loved the Instagram account @hotdudesreading, and knew I had to have a bound hardcover version of my favorite account for my apartment. The captions are hilarious, the dudes are hot (as promised), and the pics throughout NYC make this a fun book that

gets attention from everyone who walks in and sees it. Such a great idea, I can't wait for the sequel!!

I don't usually review books on , but this one is worth it. The HotDudesReading Instagram account makes me laugh (and swoon) on a daily basis, so I thought it would be an amazing idea for my book club - and what a hit it was! Hilarious captions, beautiful photos, and even more beautiful men - what more could you ask for really?! Love seeing it on my coffee table and picking it up for quick laugh. A must own.

Attention...if you don't follow @hotdudesreading on IG then you are truly missing out. Seriously, this is one of the BEST instagram accounts out there to follow. Let's face it, nothing is sexier than to see a hot dude reading and so the creators behind the smash hit @hotdudesreading published all new photos of hot dudes reading in one fabulous book.. Forget taking pics of your food or those edited selfie posed pics because #hotdudesreading is the real deal. Not only do you get pictures of real life hot dudes reading but you get to read those hilarious, smart, fun and witty captions. Trust me when I tell you, you need to pick up Hot Dudes Reading and add this book to your collection of coffee table books. And for my fellow bookworms like myself, this IG account and book is genius. Bravo to the creators of @hotdudesreading!!!!All there is left to say go #onlick this book now. #Hotdudesreadingâ |.yes please!!!!~Michelle, Four Chicks Flipping Pages

I just got my book in the mail and it is so gosh darn hilarious! Yes the men in it are attractive, but the writing is so cute and, at some points, perfectly provocative!So great to see one my favorite Instagram's come to life and on my coffee table ;)

Been waiting for this for months! I've been a big fan of this account from the start, and I'm happy to say the book doesn't disappoint. I was actually late to work today because it showed up at my door right as I was leaving and I got stuck thumbing through it. It's the same concept as the Instagram - candid pics with witty captions, except this hardcover has a LOT of new content, really interesting great chapter divides (each chapter is a different NYC subway line) and hilarious interviews with some of the guys that were posted on the site last year. I've got a feeling I'm going to have this one out on my coffee table for quite a while.

Could not love this book more, bought it for my friend who is obsessed with the instagram and after receiving it ordered another for myself! The men and pictures are beautiful but it's the hysterical

captions I keep coming back for.
