Customer Reviews

The dinosaurs aren't hidden or playing "peek-a-boo" at all... so I don't really get why its a "peek-a-boo" book.... This was not what I was expecting... and does not hold my children's interest. The illustrations are nice though... so it's got that.

This a very simple book, not a lot of words. My daughter enjoys the repetition of "peek-a-boo" and the cute drawings of happy dinosaurs.

My grandson's love this book. It has become our bedtime favorite.

Grandson LOVES this book !!!!1
