Spooky Magic Tricks

Synopsis

A collection of ghostly illusions and tricks, such as pulling a vampire bat out of an empty hat. Chilling tales and sinister stories are provided to embellish the performance, and cartoons add to the humour of this book.

Customer Reviews

This book has to be the first great magic book I ever had, for it contains the basic tricks for the beginner, more advanced tricks for the experienced, and a step further it contains a section on how to construct your own tricks. younger audiences who plan on becoming magicians are givin a great start with this book. It's easy to read with bolder words, plenty of diagrams, and simple dialogue. A fantastic book.
