Undersea Adventure Mazes

Synopsis

Kids will eagerly dive into the deep blue sea with these 28 amazing color mazes. But they won't need a face mask or oxygen tank to explore underwater, just a pencil, pen, or crayon and the smarts to make it through the exciting, tricky twists and turns. As they swim through the waves, children will have to find an escape route from an unfriendly eel and a clear path to a sunken treasure. Good navigators will encounter Moby Dick, study the rare coelacanth fish, and rescue a sea lion. They'll also face the challenge of raising the Titanic and enjoy the rare pleasure of meeting mermaids. From submerged battleships to the Mid-Atlantic trench, it's a wonderful voyage

Customer Reviews

this book is disappointing at best. My daughter has other maze books from this author but this one seems to lack the effort of some of the others.
