Amazing story and an amazing journey. Well written book that paints a picture of exactly how he did it. He's an inspiration for everyone out there who has a passion and uses their efforts to follow their dreams. He's a young entrepreneur who shows that anything is possible if you set your mind to it. If you don't have it, I would recommend getting it. If not for you, definitely for a sibling or son or daughter. Great book!!!

I dont have my book yet, but my friend bought it today and we both read it, and we were absolutely AMAZED. Austin if you ever read this, you must know that I love you and that you have a great future ahead! So keep being like you, and keep making us happy! Thank you so much for everything! I'm a huge fan!

Daughter loved the book. She carries it around everywhere. Looks for any and every excuse to pull it out and read. Its hard cover so its durable and I am certain it will last. Was cheaper than what was offered in stores. In the end, a great buy.

Austin Mahone is the sweetest of the teen idols out there right now. With two daughters we see a lot of concerts and have met several of the artists, Austin is just so sweet. This book tells the story of how started out and where he is now. Perfect for any Mahomie!

Austin wrote such a great book! I would suggest this book not only to someone who likes his music, but to someone who has dreams. It's great to see where such a great kid came from and how the grew up!

The book was fun to read. This autobiography tells the journey of Austin Mahone's life from San Antonio, Texas to being one of Pop music's singing sensations. I recommend the book for fans and non-fans like myself.

Bought the Austin Mahone book for my 11 year old daughter and she loves it! It was way thicker then I thought it would be and full of bright detailed pictures. She couldn't put it down until she finished every last page! It is an Amazing Story and well told too. If you are a True Austin Mahone Fan this one's for You!!

I've been waiting to have this book in my hands for so long, and finally I got it. I'm from Argentina and I'm a Mahomie for life, this book is perfect, really I can't stop reading it. If you believed that you knew everything about him, with this book you will know a lot of new things. Austin, your book is amazing, I love you so much ã™
