Got my TW Our Story Our Way book in the mail a few days ago because I am a HUGE fan of the boys! Opened it up and couldn't put it down lol It was soo awesome to get to know the boys before the glam! And in their words, I could almost literally hear them talking! Too funny! If you are a TW fan you need this book! It's a MUST have for any and all TW fans!!

This book was for my granddaughter. She really liked it and she was very happy to receive the book, and am satisfied with the purchase.

This book is a perfect way to learn more about THE WANTED. It also includes all these incredible

photos of boys. The book is separated with a chapter for each boy+ how the boys got together+ chapter about THE FANMILY. I recommend this book to anyone who loves the boys- a quick and interesting read. =]

I received my book after many days of waiting. My order said it would be a new book but you could tell it was not. The book was all scratched up and the corners were all bent. The book itself is great and I love learning more about my favorite band. I'm not happy with how it came.

I ordered this book about a month ago, and just received it. I finished the book within 2 hours, because I couldn't put it down. It tells the story of the band before all the platinum singles and sold out concerts, and you really get to know the boys. You get to know each of them from childhood to present day. I also think that it was well written and the pictures were fantastic. I suggest any TW fan to buy it and read it!

It's amazing and if you are a die-hard The Wanted fan like myself you will love and adore this (and treasure it!) It has photos in it of the boys during their childhood and it has some photoshoot shots that are just perfect. Beyond worth the price. #It'saTWthing

This book really goes into detail about the boys lives before they were in the band. If you love The Wanted, you should own this book. It is absolutely eye opening and gives you tons of information on the boys.(:

If you love The Wanted this book will be a prized possession! Okay maybe thats just me but it is filled with lengthy writings of all the boys plus them as a group. Lots and Lots of wonderful pictures as well!
