Age Range: 8 - 14 years

Grade Level: 3 - 4

Customer Reviews

This is always a dry subject and this book tries to avoid that factor but can't completely. On the other hand, the book can make the subject of the development of the US Constitution clearer than other books. I use this series in my classroom for ESOL students.

I am a teacher and my students absolutely love these books! I would give them 5 stars, but they are cheaply made and pages start falling out after only a small amount of use.

A little advanced for my grandson but he will grow into it
