## Customer Reviews

Great pictures! This is a great calendar for any car fan. The quality of the paper is pretty good. Not like some calendars that are made of cheap, thin sheets. At the same time, the paper isn't too thick so you know you didn't overpay for ultra-high quality paper that you are going to throw away anyways. I would recommend this calendar. I'll also be checking out more calendars for the future from this publisher.
