The Official Dogs In Cars 2015 Wall Calendar

Synopsis

Is there a dog owner in the world who does not delight in the delirium of their four-legged friend on a car ride? Back by popular demand, the second edition of this infectiously happy calendar features a new line-up of gorgeous cruising canines hanging in and out of automobiles, blissing out on the passing smorgasbord of smells and scenery. Created by renowned photographer Lara Jo Regan, her Dogs in Cars pictures became a global viral sensation featured on major media venues such as Good Morning America, Mashable, and Ellen's Good News.

Customer Reviews

What can I say? If you love dogs this calendar deserves space on your wall. I purchased this as a Christmas gift for my spouse last year, and I did it again this year. This is going to become an annual gift because it makes everyone in my household smile as we tick off the months to the next holiday season.

gave as a quirky gift. great pics

Cute, good pics, just a boxer fan and needed boxer pic !

Boo hoo, I really wanted to love this calendar but after I received it I discovered there are no lines separating the days of the week and also no small images of the past and future months. I thought I could live with these differences but after almost three weeks, I can't. I ordered another calendar but I still enjoyed looking at the dogs in cars photos. :-)

This calendar was a bit bigger than a normal calendar, but the thing I hated the most was that it DID NOT HAVE ANY BOXES. I need a calendar with boxes to keep track of things to do on a particular day. Ended up drawing my own and will make do.

Awesome Calender
