# Pocoyo Feelings: A First Jigsaw Book

## Synopsis

Pocoyo is Spanish for "little me"; is a curious, fun-loving, friendly little boy who's always into something new. Whether he's on a quest with his friends in outer space or just cleaning up his building blocks, every day is an adventure. Join Pocoyo and friends as they learn through laughter! Just right for little hands, this chunky, durable cased board book has a simple two-piece jigsaw on every spread. Pocoyo is feeling excited because his friends are coming to play! Poor Pato is feeling mad because Pocoyo has knocked down his tower. And Elly is feeling happy because Pocoyo has made her a present! With simple explanations for each character's mood and a two-piece jigsaw of the character's facial expression on every spread, this is the perfect book for introducing young children to the concept of feelings.

## Customer Reviews

This book is small, but is a very sturdy board book. Even the puzzle pieces are very sturdy and have stood up to my 18month old's chewing habit. Every other page has a 2 piece puzzle. The puzzle image mirrors the page and is easy for an 18 moth old up to 2 years to complete with little help. My 36 month old is a huge fan of Pocoyo but isn't too interested in this book. It's a bit too baby for him.

My son loves this book. He is 16 months old and enjoys looking at the colorful pictures and puzzle pieces.
