# Shark Coloring Book

## Synopsis

Sharks are friendly if you can color them right! This amazing coloring book features sharks in their sheer majesty. Coloring is a fun activity that you can do with your children. Introduce them to the wonderful world of sharks by sharing stories and facts while they complete the artwork. Coloring makes lesser known colors stand out too. Buy a copy today.

## Customer Reviews

There is not much of a point to this coloring book for kids. It is only a preview with no print link.

Keeps my kids occupied during the long summer months. Easy to access and easy to print when needed.

Another with no inner download link on kindle edition. So no what to print any images.
