Customer Reviews

My son and his finance' wanted to have something for the little ones to do at the wedding reception! We tore the coloring book apart and will turn the finished pages into a scrapbook for the bride and groom!

The pictures in this book look nothing like the cover does. They're not nearly as complex/involved. I'm not going to return them because I just don't think it's worth the hassle, but the pictures are extremely simple. Not very pleased since they were nearly \$7 each.

Bride and groom loved it! Had fun passing it around.
