The Angry Birds Movie: Seeing Red

Synopsis

Red™s angry outbursts have landed him in hot water—and out of a job—more times than he cares to remember. But he must work in order to build his dream nest. How will he ever save up when every job he gets is more awful than the last one? Readers discover what really ruffles Red™s feathers in this 8x8 storybook with full-color illustrations. The Angry Birds Movie, based on the international video game phenomenon, arrives in theaters spring 2016. With a star-studded cast that includes Jason Sudekis, Josh Gad, Maya Rudolph, and Peter Dinklage, this film will finally answer the question: why are the birds so angry?

Book Information

Series: Angry Birds
