Antique Maps 2016 Calendar

Synopsis

Antique Maps Wall Calendar: Antique Maps 2016 Wall Calendar features a collection of antique maps from the British Library. For centuries, explorers, merchants, and military forces have relied upon maps to help them describe and navigate our planet. Using anecdotal evidence and sometimes scant geographical data for places they themselves may never have seen, cartographers frequently included fanciful or factual drawings to tease the imagination and the intellect-including a mythical sea dragon on a map of Ireland, figureheads symbolizing the wind rose on Ptolemy's World Map, heraldic imagery on the Map of the World with Coats of Arms of Various Countries. Features antique maps Perfect for history buffs Previous and next month views Observes major holidays and moon phases

Customer Reviews

I happen to love antique maps, and this calander is perfect for someone who does. I bought the 2015 edition last year at a mall kiosk the day after January 1st, and only paid 5\$ for it there. Was slightly disappointed when I purchased this after Januraury 1st of this year and paid about 3 times the price.. Great size for writing down dates.

My husband is a history buff, so he loved this calendar! Wish I got it earlier!

Good calendar, the pictures could be bigger and more clear.

I bought it for my daughter. She loves it.

It's a beautiful wall calendar for anyone.
