Customer Reviews

This is a great book, fun for adults and kids. It's educational and entertaining and exceptionally well designed -- what more could you ask? The book is on the large side and contains a built-in spinner, a Greek myths storybook, and a little pocket that contains game pieces. Four two-page spreads each contain a large pop-up integral to the game and play that involves moving along spaces until the end is reached. The games integrate the stories of the Trojan Horse; Odysseus; Theseus and the Minotaur; and Daedalus and Icarus. This is fun, creative, educational and a blast. Highest recommendation.

Gave as a gift and my daughter loved it. She takes it to school every day, the bookness of it makes it easy to carry around. Great product!
