Customer Reviews

The pictures are beautiful if you love the moon. The phases are noted for each day and glow at night. This is a calendar to enjoy for its aesthetics; you can't write on it because the pages are black.

Probably one of the best lunar calendar out there (design wise). Each day on the calendar features a glow in the dark moon phase. Also makes a great educational tool for kids :)

Im the biggest moon junkie around, love the black pages and the moon phases for each day.

I love this calendar!!! - I intend to buy one every year
